

arent Association Minutes - March 26, 2009

Present: Jodi Maki, Trish Jones, Dorie Shanfeld, Becky Maki, Shannon Trepanier, Gina Rypkema, Becky Bentfield

Fundraiser - Go Green: The fundraiser packets went out in the mail and should be arriving to families around Thursday the 26th of March. Jodi will be going around to all the classrooms and talking to students to get them motivated for the sale. On Sunday, April 19th we will be taking orders from the parish after all morning masses. An email will be sent out later for volunteers to sit and collect the orders. The deadline for families to turn in their sales order will be April 14th. On April 20th all orders and payment will be sent in to Go Green.

Teacher Appreciation: Scheduled for Tuesday, May 5th from 3:30 - 5:30. It was decided to hold it at Brigids again. Dorie will work on all the details with Brigids. Last year we spent around \$430 and the total will be slightly higher this year as there will be a few more people since the parish employees will also be invited to attend.

Spring Concert: The concert is tentatively being moved from May 27th to May 20th so not to coincide with the Paul Bunyan fish fry. The tailgate will again be held in the playground area with burgers, hot dogs, chicken salad and brownies being served for a free will offering. Dorie will work on finding volunteers for grilling. St Philips does not own a grill so we also need to find a couple to borrow.

Vendor Programs: A message will be going out in Carol's newsletter to parents to remind them to send in all labels that they have been collecting so we can sort them and send them in before the end of the school year.

Spirit Wear: A few t-shirts and sweatshirts are still available to purchase. A display will be put out at the info desk to try and sell these items on May 1st and 8th. The box is in Jodi's office and a price sheet will need to be made up.

Trish Report: The current balance of the Parent Association account is \$4902.93 with \$750 still to be deducted for the Phys Ed equipment and Pre-K furnishing donations. This leaves us with a balance of around \$4100 to work with.

Next Meeting: Thursday April 23rd at 3:30.
