The heart grateful to God needs to find a way to express that gratitude. Some important ways to do that are through prayer, through service and through giving of one's resources.

As we celebrate the document stating our belief in the right to life, liberty and the pursuit of happiness, a document titled *Faithful Citizenship*, issued by the U.S. Catholic bishops, reminds us that, "Calls to advance human rights are illusions if the right to life itself is subject to attack."

**THANK YOU,
THANK YOU,
THANK YOU!**

Thank You for the wonderful send off. I appreciated the opportunity to speak personally with so many of you that have become my friends. The meals were great. Thanks to all who worked so hard to prepare, serve and cleanup after the receptions. I appreciate the kind words, cards, and gifts.

I am going to miss the parish families of St Charles, and St Philips. I will also miss the students at the Holy Spirit Newman Center. I will be offering a Mass for your intentions as I thank God for the witness to Jesus that you have been to me. It is my prayer that maybe someday our paths will cross again.

Blessings on your Day!!!
